

THE PITUITARY CENTER AT STANFORD

invites you and your family and friends to an

Acromegaly Patient Education Day

For patients with acromegaly, their family and friends

- Understand the symptoms of excess growth hormone
- Review current medical information evaluating the risks and benefits of various treatment strategies for patients with acromegaly
- Learn about recent advances in treatment
- Have the opportunity to interact with other patients who have acromegaly.

Monday, September 26, 2005 ■ 9:00 am–4:00 pm
Continental Breakfast and Luncheon included

Sheraton Palo Alto Hotel
625 El Camino Real, Palo Alto, CA 94301
